Technical University of Liberec	Faculty of Mechanical Engineering	Machines and Equipment	Machines and Equipment Design (Equipment for Thermal Technique) <a href="http://www.fs.tul.cz/en/students/doctoral-study-programmes/">http://www.fs.tul.cz/en/students/doctoral-study-programmes/</a>	DSP

MSPN .. follow-up master's study programme

DSP .. doctoral study programme

The recommended fields of study for the applicant from the Arab Republic of Egypt are economics / commerce, information science and agriculture.

The Embassy of the Czech Republic would like to announce that once the scholarship is awarded, no changes to other institutions of higher education or study programs are possible. The scholarship is also not transferable to another person, nor can it be postponed to the following academic year.

The Embassy of the Czech Republic has the honour to remind that the interested students and scientists are obliged to apply via following website link <http://registr.dzs.cz/registr.nsf>. The deadline for submission of the filled in application forms to the Embassy in electronic form is September 30, 2013. If the application has been accepted and may proceed to the next round of the selection procedure, the Embassy shall ask the applicants to perform further tasks. All informations about the scholarship and the application procedure are available on the official website
